Plan B — Life Insurance

Participant’s Life Insurance Plan

The Participant’s Life Insurance plan is only accessible if the participant is covered under the Health Insurance plan (Plan A) or is exempt.

Accidental Death & Dismemberment Insurance is included with Options 1, 2 and 3.

Life Insurance benefits are payable regardless of the cause of death.

Options 2 and 3: These options allow participants to respectively double or triple the amount of coverage offered under Option 1. To be eligible, participants must have, at the time of retirement, life insurance coverage (under the employees’ group insurance plan) for an amount that is higher or equal to the one offered under this plan; otherwise, the participant can only have access to Option 1.

Spouse’s and Dependent Children’s Life Insurance Plan

This plan is only available to participants who are enrolled in the Participant’s Life Insurance plan.
